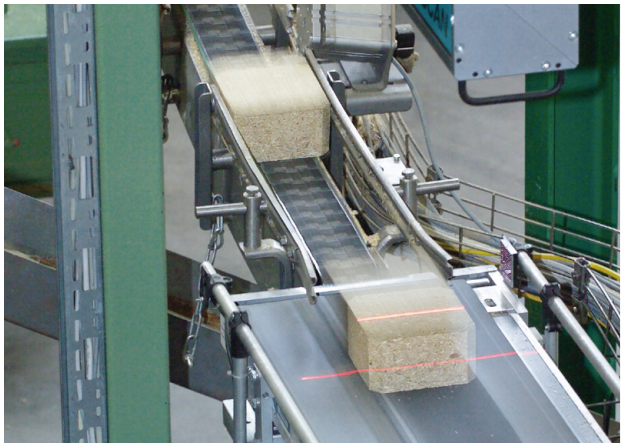
binderholz

PRESSED PALLET BLOCKS



binderholz **PRESSED PALLET BLOCKS**

Our pressed pallet blocks are made from sawdust and reclaimed waste wood shavings. The glued chips are pressed into shape under high pressure and extreme temperatures. The result is a dimensionally stable wood material.
Our range includes both neutral and branded blocks. The latter are offered with three different brandings: EPAL, EUR and UIC with a dot.

Properties

- exact dimensions
- high dimensional stability
- hard and sharp edges
- clean, smooth surfaces
- no production-related holes
- visually appealing due to natural wood tone
- short delivery times

PRESSED PALLET BLOCKS NEUTRAL

Dimensions 78 x 100 x 145 mm
78 x 145 x 145 mm

PRESSED PALLET BLOCKS BRANDED

Dimensions 78 x 100 x 145 mm
