

# binderholz PRESSBOARD PALLETS PSP

binderholz pressboard pallets PSP are made from sawdust and reprocessed recycled wood shavings. The glued shavings are pressed into shape under pressure and high temperatures. The result is a dimensionally stable wood product.

In addition to continuous internal testing for quality assurance, the quality of our production process is also regularly monitored by external authorities, to ensure high product quality and compliance with standards. Our pressboard pallets are considered „processed wood“ according to ISPM15. They can therefore be used for worldwide export.

Since our pressboard pallets can be stacked into each other, they take up considerably less space during storage and transport than conventional Euro pallets.

## Properties

- „Processed wood“ according to ISPM15 - suitable for worldwide exports
- Wide range of formats - optimal measurements for a variety of products to be packaged
- No administrative effort - no exchange fees or rental costs
- Low weight - suitable for air and ship cargo
- Stackable in each other - space-saving during storage and transport
- Sustainable - natural raw materials, fully recyclable

Our binderholz PSPs are PEFC certified.

## PSP 4060 - QUARTER EURO FORMAT

**Dimensions** 400 x 600 mm

Item description	Dynamic load capacity
PSP 4060	250 kg

## PSP 4080 - THIRD EURO FORMAT

**Dimensions** 400 x 800 mm

Item description	Dynamic load capacity
PSP 4080	500 kg

## PSP 6080 - HALF EURO FORMAT

**Dimensions** 600 x 800 mm

Item description	Dynamic load capacity
PSP 6080 (D)	500 kg
PSP 6080 H (D)	1000 kg

D = drilled, H = higher load capacity

## PSP 80120 - EURO FORMAT

PSP 80120 E2 / E2 H - Euro format

**Dimensions** 800 x 1200 mm

Item description	Dynamic load capacity
PSP 80120 E2 (D)	900 kg
PSP 80120 E2 H (D)	1250 kg
PSP 80120 E4	900 kg
PSP 80120 E4 H	1250 kg

D = drilled, H = higher load capacity

PSP 80120 E4 / E4 H - Euro format

## PSP 76114 - CONTAINER FORMAT

**Dimensions** 760 x 1140 mm

Item description	Dynamic load capacity
PSP 76114	800 kg
PSP 76114 H	1000 kg

H = higher load capacity

## PSP 114114 - CONTAINER FORMAT

**Dimensions** 1140 x 1140 mm

Item description	Dynamic load capacity
PSP 114114	1000 kg
PSP 114114 H	1250 kg

H = higher load capacity

## PSP 100120 - INDUSTRY FORMAT

**Dimensions** 1000 x 1200 mm

Item description	Dynamic load capacity
PSP 100120	900 kg
PSP 100120 H	1250 kg

H = higher load capacity
