

## TERMS OF SERVICE

1. **Contractual Relationship.** By entering into an agreement, whether by a written agreement or through fulfillment of any Purchase Order (in either case, the "Agreement") to sell and deliver wood and wood fiber material ("Material") to **Binderholz Enfield LLC**, a Delaware limited liability company ("BUYER"), you (as "SELLER"), have agreed to be bound by these Terms of Service (these "Terms"). BUYER may amend these Terms from time to time. Amendments will be effective upon BUYER's posting of such updated Terms on its website. SELLER's continuation of the Agreement after such posting confirms its consent to be bound by the Terms, as amended. Each of BUYER and SELLER is a "Party" and they are collectively the "Parties" hereunder.

2. **Purchase of Material.** SELLER agrees to sell and deliver Material to BUYER, and BUYER agrees to accept and pay for Material, in accordance with these Terms during the term of the Agreement. The rates of payment, delivery destinations (each a "Destination"), units of deliveries per period, delivery window (beginning date and ending date), and material specifications for material purchased shall be separately documented in the form of purchase order used by BUYER from time to time (the "Purchase Order"). Unless otherwise agreed to by the Parties in writing any Purchase Order shall be subject to the Terms. The amount of Material described in any Purchase Order is an estimate only and the actual amount of Material purchased by BUYER may deviate by up to ten percent (10%) of any amount shown in a Purchase Order.

3. **Price and Payment.** Unless otherwise specified in the Agreement, BUYER shall pay for Material delivered as specified hereunder within ten (10) days from the last day of the week in which deliveries of Material are made.

SELLER agrees to be bound by such scale, including deductions for Material not meeting the Specifications or the warranties of SELLER in Sections 6 or 7 of these Terms. In the event that any of the Material does not meet the Specifications or warranties provided in these Terms, BUYER reserves the right, in its sole discretion, to reject the unacceptable Material, without invalidating the entire order, or to cancel the entire order. Because of the expense to BUYER, SELLER agrees that BUYER may dispose of or utilize Material not meeting the Specifications in any manner BUYER chooses without holding such Material for SELLER's inspection. Unless otherwise agreed, BUYER shall not pay SELLER for any Material not meeting Specifications regardless of how such Material is utilized (or disposed of) by BUYER. In the event that BUYER cancels all or a portion of a given order, SELLER shall promptly refund to BUYER any and all funds paid to Seller in consideration of such rejected Material.

5. **Title and Risk of Loss.** Title to and risk of loss of all Material furnished to BUYER shall remain with SELLER until receipt, inspection, scaling and Acceptance of the Material by BUYER at the applicable Destination. SELLER specifically agrees to indemnify and hold BUYER harmless from any liabilities or damages arising from any and all claims to the contrary or out of the sale of said Material.

6. **Warranties of SELLER.** Notwithstanding any limitations to the contrary in Seller's credit note and/or other sales documentation, SELLER expressly warrants to BUYER that:

- (b) the Material is merchantable and fit for its intended use;

- (c) the procurement and delivery of the Material conforms to all Applicable Laws and Best Management Practices relating to the procurement and sale of timber or timber-derived materials; and
- (d) all round wood used in its operation and products derived from and delivered to BUYER's operations are harvested by loggers who are in full compliance with the applicable State Implementation Committee's standards under the Sustainable Forestry Initiative Program, including the Best Management Practices.

7. **Confirmation of Sourcing.** With respect to the sourcing of the Material, SELLER expressly warrants to BUYER and agrees as follows:

- (b) no Material is the result of illegal felling;
- (c) no Material has been sourced from any of the following areas: (i) any area, where human and basic rights are violated or in which the ILO conventions concerning the employee rights are not applied with respect to the treatment of the employees (especially ILO Convention No. 138 concerning the minimum age for admission to employment); (ii) any protected forests; (iii) forests including genetically manipulated tree substance; and (iv) any tree stands treated with radiation or with other than accepted control substances;
- (d) the Material does not originate from uses, which jeopardize the transformation of forest into other types of vegetation (deforestation) and/or the biodiversity of the impact area;
- (e) the use and production of the raw material does not adversely affect the rights of third parties, in particular the rights of indigenous peoples;
- (f) the raw material does not originate from the management of areas, which according to law have a high environmental and cultural value or from felling of protected and endangered species, including CITES requirements;
- (g) the material supplied does not contain any genetically modified organisms;
- (h) in furtherance of the applicable forestry certification standards, tree-felling by upstream suppliers shall be subject to third party monitoring and audit;
- (i) SELLER shall promptly notify Buyer regarding any changes to the composition or origin of Material or any change of any upstream supplier;
- (j) SELLER shall accept and allow direct or third party audits regarding the originality of the Material;

- (l) Upon request of BUYER, SELLER shall provide documentation of compliance to the third party auditor designated by the BUYER with respect to SFI compliance.

8. **Compliance with Laws.** SELLER agrees to comply with all Applicable Laws and the Best Management Practices and SELLER specifically agrees to indemnify and hold BUYER harmless from any claims, liabilities or expenses arising out of the violation of any such laws, rules, regulations and practices by SELLER its officers, agents, employees and/or contractors.

9. **Independent Vendor.** The Parties agree that SELLER is an independent vendor and that nothing contained in the Agreement or these Terms shall be deemed to create or imply any other relationship between SELLER and BUYER.

10. **Termination.** Either Party may cancel the Agreement or reduce the amount of Material delivered or accepted under the Agreement at any time by giving written notice to the other Party at least (5) Business Days in advance of the effective date for such termination or the reduction of the amount of Material to be delivered pursuant thereto. BUYER may terminate the Agreement immediately upon a breach of these Terms. In addition, BUYER may terminate or renegotiate the Price outlined in the Agreement, in its sole discretion, immediately, without penalty, upon the occurrence and continuance of a Market Influencing Forestry Event.

12. **Indemnity.** To the fullest extent permitted by law, SELLER shall defend with counsel reasonably acceptable to BUYER and indemnify and hold harmless BUYER, BUYER's affiliates, officers, directors, shareholders, members, successors-in-interest, assigns, partners, agents, contractors, consultants and employees of any of them (individually, an "Indemnitee" and collectively, the "Indemnitees") from and against claims, demands, damages, losses, suits, judgments, awards and expenses, including but not limited to attorneys' fees, arising out of or resulting from SELLER's actions or inactions, provided that such claim, damage, loss, suit, judgment, award or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property, including loss of use resulting therefrom, but only to the extent caused in whole or in part by the actions or inactions of SELLER, its consultants, subcontractors or independent contractors, any of their agents, representatives, affiliates, contractors and/or, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss, or expense is caused in part by a Party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a Party or person described in this Section 12. In claims against any Indemnitee by an employee of SELLER, a consultant or subcontractor of SELLER, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, the indemnification obligation hereunder shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for SELLER, its consultant or subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

13. **Insurance.** SELLER shall maintain adequate workers' compensation insurance and other forms and types of general commercial liability insurance as more particularly set forth herein to fully protect, pay, reimburse, and indemnify BUYER and SELLER from all liability of any nature arising as a result of SELLER'S operations to harvest and deliver the Material and SELLER shall provide proof of adequate insurance to BUYER upon request. The additional insured coverage shall be primary and non-contributory to any of BUYER's general liability insurance policies and shall apply to both ongoing and completed operations. If BUYER is damaged by the failure of SELLER or any subcontractor or consultant to purchase or maintain insurance required under this Agreement, then SELLER shall bear all reasonable costs, including but not limited to attorneys' fees, consultant fees and court and settlement expenses, attributable thereto. BUYER and SELLER agree to waive all rights against (1) each other and any of their subcontractors or consultants, agents, and employees, each of the other, for damages caused by fire, or other causes of loss, to the extent those losses are covered by property insurance, except such rights as they have to proceeds of such insurance. This waiver of subrogation shall be effective as to a person or entity (1) even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, (2) even though that person or entity did not pay the insurance premium directly or indirectly, or (3) whether or not the person or entity had an insurable interest in the damaged property.

Such insurance coverages shall be independent of the indemnity provisions set forth in Section 12 of these Terms and are not designed solely to guarantee payment of SELLER'S indemnity obligations.
